

# BOOKS for the MICHIGAN ECCE

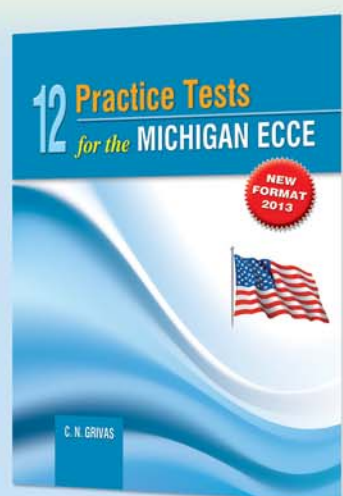

On Course for the MICHIGAN ECCE is available in **2** versions:

This version is suitable for younger learners, and covers all parts of the examination. The language material has been carefully selected, taking into account their younger age. Although the material is lighter it is still sufficient to ensure success in the examination.

This version is suitable for more able students, with greater emphasis on vocabulary. It will be especially beneficial to those students who wish to progress to the Michigan ECPE as the material included is more advanced.

## 12 PRACTICE TESTS for the MICHIGAN ECCE

- **Listening** material features naturally spoken standard American English delivered at a normal rate through short conversational exchanges and talks such as radio interviews.
- **Grammar** items are presented as short dialogues or single sentences testing significant, practical, syntactic and morphological aspects of English.
- **Vocabulary** items are taken from the same sources as those encountered in the examination and test knowledge of lexis at the required level.
- **Reading** sections include short texts (taken from various sources), advertisements and related short passages such as those found in public information leaflets, brochures and magazines.
- **Writing** tasks reflect authentic, contemporary writing objectives.
- **Speaking** tasks focus on asking for and giving information, decision-making and expressing and justifying opinions.

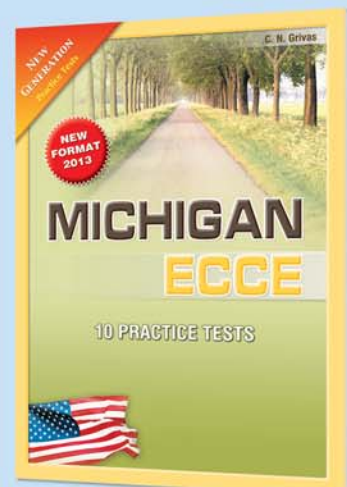

## NEW GENERATION PRACTICE TESTS for the MICHIGAN ECCE

provides students with comprehensive practice in all parts of the examination.

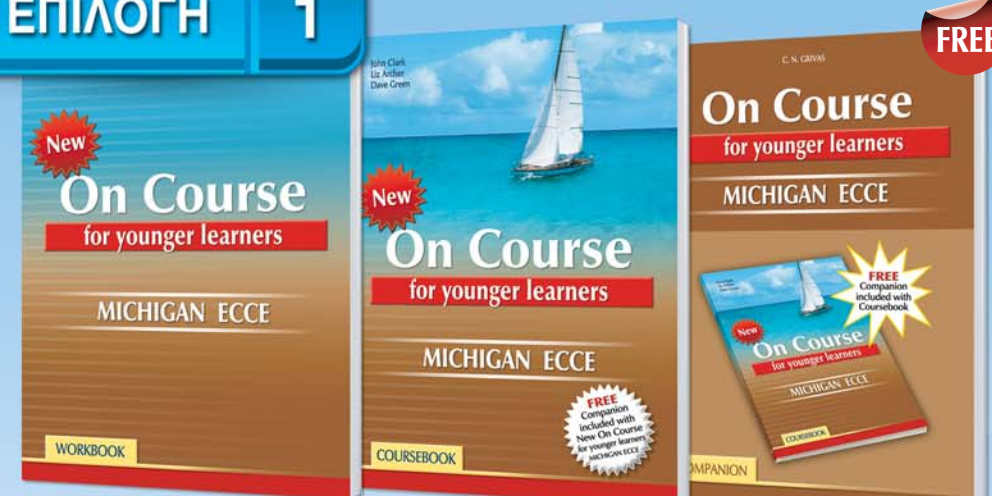

Apart from ten complete tests candidates have **FURTHER PRACTICE** in:

- **VOCABULARY:** There are about 3,000 words, in exercise form, presented alphabetically.
- **GRAMMAR:** There is a systematic treatment of grammatical problem areas.
- **WRITING:** Suggested writing plans and ideas for all the writing tasks are provided in order to help students organize their thoughts more effectively.
- **SPEAKING:** There are additional speaking tests which aim to increase students' oral skills, allowing them to express their ideas fluently and coherently.
