

GRAMMAR STEPS

Practical Modern English Grammar

Grammar Steps is a five-book series specially designed for learners of English. It covers beginner, elementary, pre-intermediate, intermediate and upper-intermediate levels. The overall aim of the series is to help students understand the basic structures of the English language rather than lose themselves in a labyrinth of details. This series can be used with any coursebook series.

Books 1, 2 and 3 cover all the basics of English grammar, while Book 4 not only presents the grammatical phenomena encountered in the first three books but also introduces additional structures, giving students the opportunity to revise what has gone before as they continue to progress.

Book 5 provides more advanced theory in conjunction with a variety of exercises presented in the style of tasks encountered in Cambridge, Michigan and KPG examinations.

A CD-Rom for books 1, 2, 3, 4 containing a variety of exercises, giving students an opportunity to further consolidate their knowledge.

Available free of charge. Alternatively it can be downloaded free through our website www.grivas.gr
